SF30 CONTINUATION SHEET

1. In accordance with Section F.3 of the Contract, FAR 52.217-9 Option to Extend the Term of the Contract, Option Year 1 of this contract is hereby extended from October 1, 2003 through September 30, 2004. This option year extension is subject to the availability of Fiscal Year 2004 funds for delivery orders or modifications to delivery orders that are to be issued during the Option Year 1 period:

FAR 52.232-18, AVAILABILITY OF FUNDS (APR 1984)

Funds are not presently available for this contract (for delivery orders or modifications to delivery orders issued after September 30, 2003). The Government's obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are made available to the Contracting Officer for this contract and until the contractor receives notice of such availability, to be confirmed in writing by the Contracting Officer.

End of Clause

When funds become available, it will be cited on the individual delivery orders (or modifications to delivery orders) when issued, thus there will be no need for a contract modification to state that funds for FY 2004 are available. The issuance of the first delivery order (or modification to a delivery order) during Option Year 1 will suffice as the Government's notice to the contractor that funds are now available. All delivery orders (or modifications to the delivery orders) issued during this period of extension shall be subject to the terms and conditions of the contract.

2. Paragraph G.4.2, Delivery Orders for Testing and Evaluation Purposes, is hereby modified to revise the fourth sentence of the second paragraph as follows:
